

## ALL ROADS LEAD TO THE BASSANO STAMPEDE ON JULY 1st

### To Perform Here Monday

Lillian McIntosh, Audrey Currie, Olive Mitchell and Jean Gauld

### District Citizens Mourn Death of Douglas MacLean

Douglas MacLean, second son of Mr. and Mrs. M. A. MacLean of Bassano, passed away in the Bassano Municipal Hospital on Friday June 21st, as a result of injuries received in an auto accident on Sunday, June 16th.

Many friends from all districts surrounding Bassano attended the funeral services held in Knox Presbyterian Church on Sunday, June 23 at 2:30 p.m.

Douglas was a popular lad in all lines of sports in this district. He played a very active part in the upkeep of the Bassano Tennis club, and his spirited hockey playing led Bassano sextets to more than one victory. It was his unselfish team work that made him so popular with his friends.

"Doug," at the age of eighteen, was a living example of Baden Powell's hope of a boy Scout. His high academic record soon found him a position in the local branch of the Royal Bank, where he was employed at the time of his death.

To those dear ones that he leaves the Recorder, on behalf of citizens of Bassano, expresses sympathy and deepest regrets.

For such a sad event brother Scouts acted as pallbearers. They were: Gordon McLaws, Jim Honey, Robert Edwards, Lloyd Marquess, Marcel Massey and Graham Cathro. Interment was made in the Bassano Cemetery with Mr. Charles Laine in charge of the services.

Surviving the youthful lad are his parents, four brothers and two sisters, and numerous relatives all of Bassano.

### Father of Former Local Barrister Passes in Calgary

Funeral services for William McLaws, 73, of 2805 1st St. S.E., were held at St. Paul's United Church Tuesday at 2 p.m. with Rev. W. Bainbridge officiating.

Pallbearers were T. Swan, H. Black, D. Jackson, P. Henry, H. B. MacDonald and J. S. Law. Interment was in Burnside cemetery.

Mr. McLaws is the father of Wm. McLaws, former Barrister in Bassano. He was well known at this point, having visited here on numerous occasions. Sincere sympathy of citizens in this district is extended to the bereaved family.

### BASSANO CONTRIBUTES LARGEST SUM OF RURAL POINTS TO Y. M. C. A.

A letter received this week from the offices of the Y. M. C. A. in Calgary informed the Recorder that the Town of Bassano had contributed a sum greatly in excess of other points of larger population towards the recent drive conducted by the organization. The letter outlined donations to date as follows:

CALGARY (City)	
Subscriptions to date	\$13,895.58
NON "Y" AREAS—(Subscriptions to date.)	
Banff .....	\$300.00
Bassano .....	500.00
Bright Municipality .....	10.00
Brooks .....	150.00
Canmore .....	100.00
Gleichen .....	77.35
High River .....	200.00
Rosebud Mun. ....	50.00
Startland Mun. ....	100.00
Stavely .....	79.25
Stockland Mun. ....	25.00
Total .....	\$15,487.18

Campaigns are now getting under way in a number of districts. It is understood that subscriptions will be forthcoming shortly but only those definitely reporting amounts are indicated above.

### NON "Y" AREAS UNREPORTED TO DATE

Didsbury, Drumheller, Hanna, Innisfail, Nanton, Okotoks, Olds, Parkland, Strathmore, Three Hills.

### ASK CITIZENS TO DECORATE FOR JULY 1st

A request has been made by members of the local Board of Trade that citizens of the Town of Bassano decorate their premises with flags and bunting, for the celebration occasion on Monday of next week, July 1st. Each citizen who spends a little time doing this, will be doing a great deal towards adding that loyal Canadian spirit to the effect of the day, and at the same time, will be greatly improving the appearance of premises. It is understood that practically all business men have signified their intentions of decorating their stores for the occasions, and thereby setting an example for residents of the town to follow.

### "Biggest and Best One Day Stampede To Be Held in the Central Portion of Province."

Prepared to Entertain Capacity Crowd: Elaborate Upon Previous Stampedes by Improving Events and Vaudeville Show

The local committee of the Board of Trade, in charge of sponsoring the big celebration in Bassano on Monday next, July 1st, announce that all plans have been completed, and everything is in readiness for the day. Final details of the event were ironed out this week, and, if everything goes as scheduled, persons fortunate in being able to attend the Bassano Stampede this year have a real treat in store for them.

The old familiar Slogan of the Bassano Stampede Committee, "Bigger and Better Than Ever" has been discarded this year, in favor of a more suitable slogan "The Biggest and Best One Day Stampede in Central Alberta." Readers and those attending this year's show will heartily agree with the Committee that this slogan sums up the day to the letter, and that nowhere in the Central portion of the province can such a variety of entertainment be seen, crowded into one day. They will agree that they received their money's worth, and at the same time admit that they did not see the whole show. There truly will be so much going on, that it will be difficult for a patron to keep all events under observation at one time. Nevertheless, the program has been so arranged that events will conflict as little as possible, and the committee states that there will be something doing every minute.

Persons from outside points are invited to come to Bassano early in the day, and enjoy a cool dip in the local swimming pool before the day's activity begins. The local tennis courts will also be available to those who wish to play a few sets before dinner, and it is probable that several outsiders may avail themselves of this opportunity of playing on the Bassano courts.

### Stampede Events to be Run Off in Rapid Succession

Under the management of Walter Peake, of Dorothy, Stampede Events will be run off in rapid succession from the corrals in the centre of the grounds. Several improvements have been made to the pens and chutes this year, and it is expected that considerable time will be cut off each event in the central arena. Thus persons who enjoy the thrills and spills of cowboy versus wild horse and cow are assured of a swift moving, exciting program from this section of the grounds. Peake claims that this year he has the wildest gathering of horses he has ever been able to assemble in one lot, and all these are being brought to Bassano before being taken to the Calgary Stampede. The Stampede program will include Bucking with saddle, bareback bucking, Calf Roping, Wild Cow Milking, Steer Riding and other daring events.

Six Races will be run during the afternoon. The Racing card is under the management of B. F. Hartley of Bassano, who has been prominent in past years in racing circles, and who promises real en-

tertainment this year on the track. The races will be run during the afternoon, while events are being run off in the central arena. The races include a Free For All, half mile; Relay Race, one and one-half miles; Barrel Race; Ladies' Race, Half mile; Indian Race, half-mile; and the popular and comical Novelty Race.

Prize monies in practically all events on the track and in the arena have been increased, and appear attractive to even the best of riders. It is reported that many skilled riders of the Calgary Stampede are planning on attending the Bassano show for a little warming up, before taking in the Calgary competitions the following week.

### Three Hour Vaudeville Show During Afternoon

For approximately three hours, persons seated in the grandstands will be able to turn their eyes continually from the central corral to the grandstand platform, where numbers will alternately be performed. The grandstand attraction, a feature of celebration days for the past few years, reaches its highest standard this year with the presentation of Jean Gauld and her Scotch Lassies. The troupe includes Jean Gauld, the Versatile Scot; Doris Evans; Lillian McIntosh, Audrey Currie and Olive Mitchell, and a troupe of sixteen all professional entertainers of Calgary. Recently the troupe made an extensive tour of western Canada, and the United States, and everywhere they were acclaimed as highly entertaining. Their program will present dance and comedy numbers of practically every description, and will be thoroughly enjoyed by all. Jean Gauld entertained at the Stampede last year, and it will be recalled this section of the day's program brought a great deal of favourable comment from persons representing all sections of the district. This year's stage show will be more enjoyable than ever. A complete program of stage attraction appears elsewhere in this issue.

### Cash Prizes for Athletic Winners

As in previous years, cash prizes will be awarded to winners of athletic events on the race track, at the jumping pits, and on the field. All sport events commence at 1 p.m. sharp, and children and adults wishing to take part are urged to be on hand early. A full program of events has been arranged, and keen competition should be witnessed in each event.

It is expected that during the afternoon a softball game will be played between a local and visiting team. As yet, the team to oppose the locals has not been announced. The game will be played on the softball diamond in the sports grounds.

### Carnival on Grounds in Afternoon and in Rink During Evening

The grand Carnival will be in full swing during the afternoon on the sports grounds. Carnival booths will be manned by members of the Board of Trade, who will endeavor to entertain all persons wishing to try their skill at one of the numerous games. Valuable

### Featured Artists

The Wonderful Dancer

JEAN GAULD  
The Versatile Scot

prizes will be given away in each booth. After six o'clock, the carnival will be moved to the rink building, where it will re-open for the evening entertainment. During the evening, the spacious dance floor in the rink is expected to be crowded to capacity with dancers, while Len Davis and his Music Masters of Calgary beat out all the latest and most popular tunes for the merriment of all. The dance is an annual feature of the celebration, and many persons come great distances just for this alone.

Between the Carnival and Dance, an evening packed with entertainment is in store for everyone.

### E.I.D. NOTES

Dr. Cormack of the Dominion Department of Agriculture recently made a survey of the E. I. D. in connection with the bacterial wilt disease of alfalfa. Evidences of the disease were found in practically all old alfalfa fields in the district. Because of this, careful enquiry has been made by the E. I. D. management with reference to the disease and its possible effect and the means of control.

The disease is now present in most irrigated sections of Alberta and is likely to spread. It can be recognized by the dwarfing, yellowing, and gradual dying of the affected plants. The stems are shortened and bunched. While the leaves are smaller than normal and tend to curl upwards, wilting usually occurs only during the advanced stages of the disease, and in warm weather.

The bacteria that cause the wilt disease are usually spread by irrigation water but may also be carried by mower knives. Apparently they are not distributed by the seed.

The bacteria do not have any visible effect on growth until the second year after infection. From then on the effect is progressive although a diseased stand may not be seriously affected for several years but recovery seldom occurs. The disease is favored by excess moisture.

As the disease does not seem to appear until a stand is over three years old and does not progress rapidly at first it would seem that unless fields are allowed to stand for a long time, no serious trouble need be expected, however the following cultural practices are recommended:

#### Avoid over watering—

Do not let water run from an old diseased field to a young healthy one.

Young healthy stands should be cut before the mower is used on old one.

Don't let fields stand too many years.

When a diseased field is plowed, it should not again be sown to alfalfa until it has been 2 years in other crops.

#### PREVENT WASTE OF WATER BY CO-OPERATION WITH MANAGEMENT

Water users are particularly requested to look after their water so as to prevent waste and avoid damage to other lands, and roads. It is evident in many places throughout the district that large quantities of water which lately may be greatly needed are now being carelessly wasted. The District authority have full power to refuse water where it is being extravagantly and wastefully handled, and while it is hoped that such drastic action will not be required, it will be taken without hesitation if found necessary in order to control the situation.

For each acre or irrigable land the user is entitled to receive one and one-half acre-foot of water over the whole irrigation season. It has been proven that this amount is ample if properly handled. The district is responsible to the government to see that water is put to beneficial use, and not wasted. Everyone in the district is asked to co-operate with the management in this regard.

### Crowfoot

The weather has been most variable—hot—warm—cold—windy—cloudy—but no rain, that which we have all been looking, seeking and praying for. The crops seem to be holding up pretty well, especially the first sown, but the late seeding is very unsatisfactory, some of this has not even sprouted as yet. Rains are badly needed throughout the district.

Despite weather conditions, the young people gather at the backwaters for swimming parties and picnics.

Mr. Verle Campbell forgot all about his birthday until some of the neighbors called in Tuesday to remind him of the event. Ice Cream and cake were served and all left wishing Verle a happy birthday.

Mr. and Mrs. Montford Kelly, and Mr. and Mrs. Ralph Carey of Calgary spent Sunday at the Hefflebower and Rodbourne homes. Mr. Carey was an old-timer resident at the Crowfoot farm, and now lives in Calgary.

The Crowfoot Swing Orchestra supplied excellent music for the U. F. A. Dance in the Countess Hall on Friday last. The members of the orchestra were Mary Boyle, piano; Bert Rose, sax; Edgar Mullen, banjo; Alvan Mullen, guitar; Elmer Meidinger, banjo and guitar. Don Walker assisted at the piano. Crowfoot was well represented at the dance.

The Reserve is a busy place with the Indians branding cattle this week.

Mr. and Mrs. E. W. Campbell and Mr. and Mrs. V. G. Campbell spent Sunday at the Gamble home in Countess.

The summer fallow is all completed and farmers are busy turning their attentions to haying and getting the odd jobs done that have necessarily been abandoned to complete the field work that the short season occasioned.

Tom Mullen is shipping cattle to Calgary this week.

The Charlie Rodbourne home is undergoing a coat of paint.

Mr. and Mrs. J. Penyak are driving a new Chev sedan.

The J. King House is being remodelled and painted.

Ollie Boesen thinks the moonlight swimming parties are more enjoyable than daylight saving time. Ollie does prefer the evening shifts, and claims aside from being a detective, he has the vision of two detectives—and to prove his assertions, he can locate any lost article in any stubble field, with only a match. Ollie lost his watch in the stubble field and was seen looking for it at midnight not so long ago.

As a parody on some of our popular songs, some of the younger folks are singing "There'll always be an Arthur."

#### CARD OF THANKS

May we take this opportunity of thanking our many friends for the kindness and sympathy, extended to us during our recent sad bereavement. We also wish to thank all those persons who sent floral tributes.

Mr. and Mrs. M. A. MacLean and family.

### RAIN NEEDED IN MOST PARTS OF DISTRICT

Crops in the Bassano District are reported to be in need of rain, although as yet no serious damage has been caused through lack of this. Advancing favourably following heavy spring rains, the crops are now stooling out fine, and if a few showers should come in the near future, prospects of a bumper crop would be realized.

Farmers on irrigated lands to the east of Bassano have been irrigating their crops for some time now, and report that their fields are coming along very favourably.

June of this year has seen very little rain fall in the district, compared to approximately nine and one half inches during the month of June, 1939. However, last year very little spring moisture fell in the district, and at the end of June, total rainfall for the first six months of the year was only slightly over ten inches. Rainfall for the first six months of 1940 has amounted to approximately ten inches to date, this being spread fairly evenly over the first five months of the year.

Cloudy weather in the district this week indicated that moisture was in the air, but no showers visited the district. It is hoped that the clouds will break open and spill their contents on district crops in the near future.

#### OTTAWA LETTER

This week I tried to make clear to the House that people everywhere were anxious to know just what each could do to effectively help in this crisis. The considered opinion of the Department of Agriculture is that the war effort does not require farmers to rapidly switch from one product to another. The Minister said: "We have been constantly saying, and we think it is the proper thing to say, that farmers of Canada can best serve the interests of the Allies by continuing to produce the staple products which they were producing before the war started. These are the products that will be most needed through the war period, and we should produce the best products we can."

Commodore Jones is Senior Naval Officer of the Royal Canadian Navy. He has 94 vessels in Commission and all Canadian shipyards are working to capacity on 90 more. One hundred million dollars will be spent this year on the Navy, as compared with four million in 1914. These ships are on both coasts, in the Caribbean and in British waters defending our shipping and our shores. The Commodore is a native of Halifax. He graduated from the Royal Naval College in 1913, and saw service in the last war.

Members of Parliament are considering the donating of one Thousand dollars each to the war effort. The Minister of Finance points out that donations should not be embarked for any special equipment but should be added to the Consolidated revenue fund. He also stated that when the Budget comes out the giving would not be voluntary but that every Canadian would be asked for generous contributions by way of taxation. Industry and labor are agreed that no profits will be made out of this war and certainly the War Supply Board is driving toward that end.

Power to virtually conscript industry was given by a Bill introduced on June 14th. It gives him power to mobilize all industrial war supplies and defence projects, strength with respect to munitions. He can use the services of business men without bringing them to Ottawa. He can order delivery of munitions from private industry, make industry give priority to war orders, specify the time when contracts are to be completed and set

**Former Local Youth Married  
At Kindersley, Saskatchewan**Of wide interest was the cere-  
mony solemnized at the United  
Church of Kindersley on Saturday,  
June 15th, at 4 o'clock, by which,  
Lois Helen, Daughter of Mr. and  
Mrs. J. R. Mills, became the bride  
of Mr. Robert Morrison, son of Mr.  
and Mrs. George Morrison of Bas-  
sano, Alberta. The Rev. R. Mc-  
Millan officiated.The church was fittingly decorat-  
ed with potted fern, sweet pea,  
honey suckle, sweet rocket, roses  
and carnations.Miss Ruby Logan played the  
wedding music, the Misses Mary  
and Winnifred Thornton singing  
"Christ is not a Disappointment,"  
and "Nearer My God to Thee"  
while the guests and friends were  
entering the church.The bride entered the church on  
the arm of her father, to the  
strains of Lohengrin's Bridal  
Chorus.For her wedding the bride chose  
a floor length gown of white geor-  
gette over satin. Her Chapel veil  
of white net was held in place by  
a wreath of orange blossoms and  
Lily of the Valley. She wore long  
white gloves, a string of pearls  
and gold bracelet. She carried a  
bouquet of white carnations and  
deep cream tea roses.The bride was attended by her  
sister, Marjorie, as Maid of Honor,  
who wore a floor length gown of  
pale blue orange with flower hat  
to match. She wore long white  
gloves, a heart shaped gold locket  
and carried pink snap dragon and  
white lark spur. Shirley Mills, also  
sister of the bride, was flower girl,  
and wore pink organdie with pink  
and blue rosette. She carried an  
old fashioned colonial bouquet of  
pink sweet pea and roses.Miss Norma Robbins and Miss  
Alice Johnson were bridesmaids.  
They wore floor-length gowns of  
mauve and yellow Swiss dot  
Muslin. Mauve and yellow ribbons  
caught back their hair. They car-  
ried mixed bouquets of sweet rock-  
et and yellow gladiola.Mr. Blake Mills, brother of the  
bride was best man.

Mr. Hermon Ruff and Mr. Robert

Love is still our guide, you  
know.  
Does the burden of the moment  
Seem to great for you to bear?  
Love's great power lies around you;  
Love will save you from despair.  
Do you feel that life is futile,  
That its joy has passed you by?  
No good thing shall be withholden;  
Love will every need supply.  
Does a cloud of doubt assail you,  
Hem you in on every hand?  
Know that God's arm is not  
shortened;  
'Tis His voice that bids you  
stand.

Baker were ushers.

During the signing of the register  
Miss Kate Graham sang, "I Love  
You Truly." The Misses Logan,  
Graham and Thornton all wore  
floor-length gowns with matching  
accessories.The bridal group, parents and  
sixty-eight guests left the church  
for the bride's home seven miles  
west and north of town. The  
guests were received by the bride  
and groom and the bride's parents.A buffet luncheon was served, the  
serving table being centred with  
the three tier wedding cake. The  
bride's table, the centre of attrac-  
tion, was centred with sweet peas  
and roses, set beneath pink and  
white, streamers and white bells.  
The maid of honor and best man sat  
with the bride and groom. The  
home was made attractive with  
many bouquets of cut flowers and  
gardens sprays.The toast to the bride was pro-  
posed by the Rev. R. Millan and  
the groom responded most fittingly.The bride's mother was gowned  
in powder blue sheer with matching  
accessories and a corsage of pink  
roses. Mrs. Theresa Mills, grand-  
mother of the bride, wore a grey  
blue gown with matching acces-  
sories and corsage of pink roses.Many beautiful useful gifts were  
presented to the bride and groom  
and admired by the guests.The bride and groom left immedi-  
ately after the reception by car for  
Calgary and Bassano, the bride  
travelling in a costume of air force  
blue and air force grey with black  
accessories.On return, Mr. and Mrs. Morri-  
son will reside in Kindersley.**CALGARY**

### CALGARY CALLING

The "Coming of Age" Convention of the Canadian Weekly Newspapers Association, scheduled for Calgary, Alberta, from July 4th to 9th, is expected to attract member publishers from every section of the Dominion.

This newspaper will be represented by Mr. and Mrs. F. Cary who leave for Calgary on July 4 to attend the sessions.

Typical western hospitality will feature the whole convention program, which in addition to the business sessions will be featured by a thrilling side trip to the Canadian Rockies, Banff, Lake Louise and Jasper. The convention has been specially arranged for these dates so that C.W.N.A. members from all over Canada may have an opportunity to attend the far famed Calgary Stampede, the premier rodeo of the North American continent.

The Palliser Hotel, palatial Canadian Pacific Hotel in Calgary, will be convention headquarters for the two day business sessions which will be followed by the colorful sidetrip to the Rocky Mountain beauty spots.

While western hospitality will naturally be a highlight of the Convention, weekly newspaper publishers attend these conventions primarily for the purpose of meeting and discussing their problems with fellow publishers, with the idea in mind of bringing back to their own newspapers the latest idea adopted in the progressive weekly press of the nation. Weekly publishers are realizing more and more the tremendous influence they wield in the rural and small urban centres of the Dominion, and these conventions are in reality, the training ground for publishers who wish to keep abreast of the times in which they live.

One of the most important features of the business sessions is the "Better Newspapers Competitions". In these competitions handsome trophies are offered to newspapers in the various circulation divisions which are outstanding in their class. These competitions are for the best all round weekly newspapers in the groups comprising newspapers with over 2,000 circulation, newspapers with circulations between 1,000 and 2,000, and newspapers between 500 and 1,000 circulation. There are also competitions for commercial printing, and the sole intent of all these contests is to encourage the weekly newspaper publisher to produce a finer and better product than ever before.

The publishing field has such

up sufficiently to turn out 60,000 pieces of military mechanized equipment a year. This production can be substantially increased.

The potentialities of the Canadian automotive industry to produce on a huge scale indicated by the fact that since the first of April some 7,000 pieces of motorized equipment for the armed forces of Canada have been manufactured and delivered by the Ford and General Motors companies alone.

Although it is not possible, for reasons already made public, for the automotive industry of Canada to manufacture tanks and heavy armoured fighting equipment of that kind at the present time, the production of gun carriers, trucks and other vehicles necessary to support the Infantry, is possible on a large scale.

In the meantime, on Canadian account, it was announced today that work has already begun on another major vehicle order that will involve an expenditure of some \$13,000,000. The chassis and engines are being produced by Ford and General Motors, while other companies are engaged in working on the wheels and tires. Specifications for the special bodies involved in the order are being prepared.

This new order is in addition to the one \$13,000,000 which was placed on March 20th, and which will be completed within a month. By far the largest number of the vehicles embraced by the first order are already overseas.

### "MOUNTIES PICTURE ANNOYS HITLER

Hitler doesn't like the Mounties. A movie theatre in Basle, Switzerland recently exhibited a film on the life of the R. C. M.P. entitled "Canada's Mutige-Maenner" (Canada's courageous G-men). The poster, advertising the film, showed the Mounty on parade, driving into the North by aeroplane and canoe. It also printed this paragraph: "Canada: the great and rich land which is sending its sons to fight the barbarians across the Atlantic."

"We ask our readers to draw their own conclusions of Swiss neutrality," the Voelkscher Beobachter lamented, not without menace.

wide ramifications in these days, that the average weekly newspaper has long since ceased to be just a chronicle of the news events of the community it serves. Today the weekly newspaper gives leadership through its editorial column, interprets the news which appears in the paper, and produces commercial printing which provides an outlet for the creative ability of the publishers.

The convention sessions will feature addresses by speakers who are experts in their field and these addresses are valuable sources of information for the weekly publishers who intends to keep up with the steadily changing trends of the publishing business.

On Thursday, July 4th, the opening day of the Convention, the city of Calgary will tender a civic luncheon to the publishers, and that same evening a trip will be made to the Turner Valley oil fields where a tour of inspection will be made, and where the visiting editors will be guests of the Gas and Oil Section of the Board of Trade at dinner.

The Calgary Herald one of Canada's leading daily newspapers, will play host to the weekly editors on July 5th, and on Friday evening the Convention dinner will be held when the awards in the newspapers competitions will be announced and the awards made.

The four day side trip to the Rockies will include stops at Banff, Lake Louise, and Jasper Park Lodge. These were spots which immensely impressed Their Majesties on their Canadian Tour last summer.

The whole purpose of the newspaper convention, is not to pit one newspaper against another in competition, but rather as Sir Walford Davies once expressed it, "They do not beat each other, but pace each other towards perfection."

### NOTICE TO CREDITORS AND CLAIMANTS

IN THE MATTER OF THE ESTATE OF FLETCHER DUNCAN WILLIAMSON late of the Post Office of Gem in the Province of Alberta, Farmer, Deceased.

NOTICE is hereby given that all persons having claims upon the estate of the above named FLETCHER DUNCAN WILLIAMSON who died on or about the 13th day of April A. D. 1940 are required to file with the undersigned Solicitors for the Executors of the said Estate by the 1st August 1940 a full statement duly verified, of their claims and of any securities held by them, and that after that date the Executors will distribute the assets of the deceased among the parties entitled thereto, having regard only to the claims of which notice has been so filed, or which have been brought to their knowledge.

Dated at the Town of Bassano, in the Province of Alberta, this 10th day of June A.D. 1940.

## Local Items of Interest

### LIGHTS AND STREAMERS DECORATE STREETS

On Saturday of last week, three strings of colored decorative street lights were erected along the business thoroughfare in Bassano, besides numerous strings of triangular shaped streamers of bunting. The erection of these decorations greatly improves the appearance of main street, and adds to the celebration atmosphere that is becoming more apparent as each day passes, drawing the First of July closer. The lights will remain connected up until next week, following the celebration.

### BASSANO 3-CLUNY 5

Playing in a twilight fixture at Cluny Wednesday night the Cluny Club defeated the Bassano Imperials by a score of 5-3.

Minus their regular catcher, R. Burrows, the locals were rather erratic in the first inning as Beathe, Reilly, Melbourne and McCallum all scored. Snape, substituting for Burrows, attempted the catcher's position without any practise.

The grassy infield was very rough and the weedy outfield was a hazard for the best of outfielders. Hayes smacked a home run in the sixth to score Marquardt.

Bassano used two pitchers, Connolly and Snape, while Cluny called on the services of Massin, McCallum and Navicki.

Umpire—K. Bowden.

### SOFTBALL TEAM WINS ONE; DROPS ONE, DURING WEEK

The local softball team, composed of members of the three former league teams organized in Bassano earlier in the year, played two games the early part of this week, winning one from the Texas Oilers by a score of 19-4, on Monday evening, and dropping one at Arrowwood on Wednesday evening by a score of 12-7.

Highlights of the Monday evening game was the heavy home run hitting by both the Local and Texas Teams. For the locals, A. Cathro clouted out a long drive to circle the bags once, while Bassarab made the circuit twice on long drives. For the Texans, Kainer and Holt each made the outfielders chase long flies, while they trotted around the bases. Cathro, on the mound for the locals, chucked a steady game, receiving excellent support from each man on the team.

At Arrowwood on Wednesday, the team failed to click as it has in previous games, and several opportunities to score were passed up when batters failed to come through with timely hits. However, the team was not discouraged at the end of the nine innings, and extended an invitation to the Arrowwood boys to play a return game here on Monday, July 1st, when they will endeavor to display a finer class of softball. Bassarab notched the only homer of the

Clifford Johnson was a week-end visitor in Blackie and Calgary.

Miss Gabriel Massey of Rainier was a Sunday visitor at the home of Mr. and Mrs. C. Hopkins.

Mr. and Mrs. Jimmy Johnson returned to Bassano the first of this week, following a short holiday.

Miss Phyllis Plumer leaves this Saturday for Los Angeles, where she will visit for a short time.

Miss Jean Lees resumed her duties in Dr. Scott's Office, following a two week holiday in the States.

Mrs. Connelly returned to her home in Calgary, last week-end, following a short visit with parents Mr. and Mrs. James Johnston.

School students who have been residing at the local dormitory for the past term are returning to their respective homes this week.

Mrs. Alex Flanagan of Hutton is spending a few days visiting at the home of Mr. and Mrs. W. L. Flanagan of Bassano.

Miss Frances Cole returned to her home in Carseland last Friday after visiting in Bassano for a few days.

Mr. and Mrs. Jas. Donaldson Jr. and baby daughter of Grande Prairie are spending their holidays visiting at the home of the former's father Mr. Jas. Donaldson Sr.

Mr. and Mrs. Hugh Gayford are spending a short holiday visiting with their parents in Bassano. Mr. and Mrs. Pragnell and Mr. and Mrs. F. Gayford.

Mrs. Jock Slorance and daughter Margaret, of Rosetown, Sask., motored down with Mr. and Mrs. Garland, and spent Saturday evening visiting at the home of Dr. and Mrs. A. G. Scott.

Mr. and Mrs. Bob Cringan of Manitoba spent Tuesday of last week visiting at the home of the former's uncle Dr. and Mrs. Scott, enroute to the Coast. Mrs. Scott and son George accompanied them to Calgary, on Wednesday.

Mrs. E. P. Currie and son Bob, Mrs. McLaws and children, Nan and Gordon, and Jimmy Honey all of Calgary, motored down on Sunday to attend the funeral of Douglas MacLean.

### U. F. A. TO MEET SATURDAY NIGHT

A meeting of the Bassano U.F.A. local will be held in Harvey Smith's Office in Bassano on Saturday night next, June 29th, at 8 p.m. All members are requested to please attend, as several matters of importance are to be discussed.

game for Bassano.

The Arrowwood game on the local diamond will be played at 4 p.m.
